DATA PROTECTION ACT 2018 CONSUMER CREDIT –

I understand that a credit search will take place using a credit referencing agency and the agency may keep details of any searches you make about me when you are taking credit decisions and assess risks about me and members of my household and also for debt tracing and preventing fraud. Any application with more than one party to the agreement will result in a financial connection between those individuals being established at the credit reference agency. I can contact you to find which agencies you have used so I can get a copy of my details from them. Please see the enclosed information sheet for details of how we process your information.

I / we agree to the terms and conditions (a copy of which can be provided on request) and accept full responsibility for the equipment detailed above and agree to pay for any damage / loss, and insurance for the equipment. I / we further agree to comply with the Storenet/Nitenet protocol, operational guide lines, radio codes of practice and Ofcom Licence for the operation of this system. All equipment must be indemnified by the hirer as detailed in clause 13 of the terms and conditions.

If your agreement or radio is suspended for any reason, any scheme that you are a member of will be informed of this along with the reason.

A reconnection fee of £40.00 may be charged in the event of any radio disconnection. Registered in England No: 01393536 · VAT Reg. No: 315356570

Privacy And Data Processing Of Personal Data

RESPONSIBLE PERSON – DATA CONTROLLER

The person responsible for all matters concerning the privacy and processing of any personal data, also known as the data controller, can be contacted as follows:

Vanessa Davies - The Data Controller
M.R.S. Communications Ltd, Imperial Court, Viaduct Road,
Gwaelod-y-Garth, Cardiff CF15 9JN
They can also be contacted by email
vanessa.davies@mrscomms.co.uk or you can write to the above address.

YOUR RIGHTS

Under the General Data Protection Regulation, you have certain rights regarding your data. You have the right to ask us for a copy of any data we hold about you. You have a right to have any data that is incorrect, corrected. You have the right to object to the use of your data. You have the right to have your data provided to you to take elsewhere in a suitable format. You have the right to have your data deleted in certain circumstances. If you wish to exercise any of these rights, then please contact our Data Controller. You also have the right to lodge a complaint about the use of your data with the Information Commissioner. Details for the Information Commissioner and making a complaint can be found on their website at www.ico.org.uk

USE OF YOUR DATA:

We have collected the personal information that you have provided on the application form. We are processing this information because we have entered into a contract with you

to provide you with a radio unit and as part of your Storennet scheme. Your information will be used by administrative and technical staff within M.R.S. Your basic contact information such as your name and radio call sign will be shared with other members of your local Storennet. Your contact information may also be shared with local crime prevention organisations, the police and the local authority. We may also give your Name and Address to a courier service so that your equipment can be delivered. We may also conduct a credit search using your information. We process the results of this search to help us to prevent fraud and non-payment risk.

If you are a member of a crime reduction scheme and we have cause to suspend your radio use or cancel your contract for any reason, this will be shared with the crime reduction partnership along with the reason for the suspension or cancellation.

Your details are stored securely on a password protected system within the UK. We will keep your details as long as you remain a customer. When you are no longer a customer, we will keep your information in our archive for 10 years. This is to comply with our legal obligations. Once we no longer need to hold any of your information it is securely disposed of. We may also hold some information about your payments and your bank details so that we can use direct debit to collect your payments.

This information is held securely in our financial payments computer system. This is a very secure system and uses encryption and password protection to prevent unauthorised access.
